Croatian real estate agency,
based in Zadar, which is
adapted to market development
and business conditions with
clients in Croatia and outside
Croatia.

The agency's way of working,
as well as a detailed approach
to each individual client,
enables the principal to realize
his intention to mutual
satisfaction.

Recognizing the needs of each
client is the basic approach by
which we achieve long-term
contact and recommendations.

When evaluating real estate, we
are guided by a market policy
that dictates prices based on the
environment, appearance and
location.

Within the agency, it is possible
to contract services related to:

real estate assessment - market

or building value
creation of project
documentation
preparation of geodetic projects
legal services related to the
resolution of property legal
affairs
construction offers related to
the reconstruction or new
construction of buildings in
accordance with project
documentation
landscaping services for
apartment buildings, gardens of
family houses and land areas
(removal of waste, small repairs
and execution of minor
construction works)

In the sale of real estate, we
participate as mediators
correctly and with the attention
of a good businessman, by
which we warn the buyer as
well as the seller of all possible
shortcomings of the real estate
in circulation and the ways in
which these shortcomings could
be eliminated.
