In the very center of Labin, on Zelenice, Re/Max Plus Labin, a branch of the world's leading real estate agency, has been operating successfully for many years.

Re/Max is the name of a real estate brokerage company founded in 1973 in Denver, USA. The name is an abbreviation of 'Real Estate Maximums', which confirms the founder's vision of achieving maximum results in work, cooperation, quality and profit. That they succeeded in this will be convinced by the data that in the past 46 years they have expanded their operations to 90 countries, so currently there are 7,000 offices around the world with 120,000 sales representatives, i.e. agents.

There are 19 branches operating

in Croatia, four of which are in Istria, and the Labin branch is achieving notable results in business.

The key factors that contribute to the success of Re/Max are that the office managers and sales representatives are motivated and professionally trained. Re/Max's sales representatives prepare a sales plan for each property, which they execute in cooperation with the client. Rea/Max's office in Labin promotes every real estate it has on offer, and they are also connected with other Remax offices in a certain area or in a certain country, thus attracting a much larger number of potential buyers than is the case in a traditional or independent way mediation in real estate business.

What makes the difference is the immediate, professional approach of the sales representatives (agents) of the Labin office, who continuously maintain contacts with sellers and buyers, who therefore feel respected and at the same time know that they and their real estate are being taken care of in a quality way.

وصف

معلومات إضافية:

Kuća u blizini centra grada, na vrlo mirnoj povišenoj lokaciji sa lijepim pogledom na cijeli Labin. Kuća je dvojna, zadnja u nizu, sastoji se od prizemlja i prvog kata, od čega svaka etaža ima cca.70m². Prizemlje kuće ima predsoblje, kuhinju sa blagovaonom, dnevni boravak, kupatilo, toalet i spremište. Konoba s ognjišćem i ostakljena veranda se također nalaze u prizemlju. Unutarnje drveno stepeniše vodi na prvi kat kuće gdje su tri spavaće sobe. Kuća ima centralno grijanje na lož ulje, napravljen je novi krov. Okućnica je 650m². Za današnje standarde potrebna je renovacija, međutim u kući se može živjeti i u ovome stanju. Najveća prednost je blizina grada, a opet mirno seosko okruženje. ID KOD AGENCIJE:

300291001-1518
