Our business is oriented
primarily to the area of the
Istria County. We provide
brokerage services in the
purchase and sale in such a way
that we fully respect the wishes
and interests of the clients and
search for the best opportunity
for them. In the event that the
client sells the property, we
help prepare the property for
the photo shoot and advertise it
on various websites and social
networks.

We inspect all documents and

other documentation regarding the property, and warn clients about all legal deficiencies regarding the property. If the clients so wish, we bring them in contact with attorneys with many years of experience in real estate. We provide consulting services and full support in the event that the clients need to obtain a loan from the bank for the purchase of the property, as well as in the event that they want to buy the property through a public auction (foreclosure, bankruptcy, in court or through the Financial Agency). With a power of attorney, we provide bidding services at a public auction through the Financial Agency in the name and on behalf of the clients, up to the amount specified by the clients.
