In the very center of Labin, on
Zelenice, Re/Max Plus Labin, a
branch of the world's leading
real estate agency, has been
operating successfully for many
years.

Re/Max is the name of a real
estate brokerage company
founded in 1973 in Denver,
USA. The name is an
abbreviation of 'Real Estate
Maximums', which confirms
the founder's vision of
achieving maximum results in
work, cooperation, quality and
profit. That they succeeded in
this will be convinced by the
data that in the past 46 years
they have expanded their
operations to 90 countries, so
currently there are 7,000 offices
around the world with 120,000
sales representatives, i.e.
agents.

There are 19 branches operating in Croatia, four of which are in Istria, and the Labin branch is achieving notable results in business.

The key factors that contribute to the success of Re/Max are that the office managers and sales representatives are motivated and professionally trained. Re/Max's sales representatives prepare a sales plan for each property, which they execute in cooperation with the client. Rea/Max's office in Labin promotes every real estate it has on offer, and they are also connected with other Remax offices in a certain area or in a certain country, thus attracting a much larger number of potential buyers than is the case in a traditional or independent way mediation in real estate business.

What makes the difference is the immediate, professional approach of the sales representatives (agents) of the Labin office, who continuously maintain contacts with sellers and buyers, who therefore feel respected and at the same time know that they and their real estate are being taken care of in a quality way.
