Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate.

Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then because we like to stay in touch

even after the contract is signed  
- because our mission is more  
than just a job.
