Description

Description: In the extreme southeast of Istria, in the landscape of Mediterranean broom vegetation, lies the fishing and farming settlement Ližnjan-Lisignano, which overlooks the Kvarner Bay all the way to the islands of Cres and Lošinj. This hidden corner of the clear sea and the indented coast, which is immersed in it by rocks and gravel, will reveal to every passer-by the beauty of this 28-kilometer-long undeveloped coastline. The picturesque harbor will tell you that you are in a place that has long lived from the benefits of the seabed. In that sea place we are selling a business space, in the center of Liznjan, with an area of 68.15 m².
