We are selling a fully equipped rustic villa with an emphasis on modernity with 4 spacious bedrooms, a swimming pool, a large garden and a beautiful view of nature and surroundings. The villa is located near the Croatian jewel, the small town of Rovinj. This beautiful property on 3 floors was built in 2015. with the greatest emphasis on quality and spaciousness. The property is surrounded by a large green garden with a total square footage of 2500 m2, which fits perfectly into the beauty of the landscape. Entering the house in the hall, your view stops at the large open living room, dining room and kitchen. This living room harmonizes perfectly with the outside space thanks to the exit to the covered terrace and thus allows you to enjoy the pool and landscaped garden with a relaxing view of nature. On this floor there is also a bedroom with its own bathroom, a guest toilet and a storage room. The stairs lead to the 1st floor, where there are three more bedrooms, each with its own bathroom. In the basement there is a tavern with a fireplace, a laundry room, a large room for hanging out that you can reshape according to your own ideas, and in addition, there is also a large coupon shop. It is super practical that the tavern in the basement has its own entrance/exit.
