# Description

Description:

Istria County is known as one of the most suitable regions for living, and offers many natural beauties backed by a warm Mediterranean climate and a very cordial domicile population. In the very south of the Istrian peninsula, just a few kilometers from the city of Pula, there is a beautiful coastal town "Premantura" which is located near the Kamenjak Nature Park, and is bordered by beautiful beaches and year after year improves its facilities and infrastructure, tourist attraction. This beautiful house with four separate apartments with a living area of 194 m2 with a sea view is located in Premantura in a great location just 500 meters from the sea. The house consists of four apartments, the ground floor has two separate entrances to two one-bedroom apartments with bathrooms, living room, kitchen, bedroom and terraces on the ground floor. On the first floor there is one apartment also with one bedroom, living room connected to the kitchen and bathroom, and all three apartments are ready to move in and ready to use, while on the second floor there is one apartment of identical size with terrace and beautiful sea view who is looking for the final phase of works in order to be habitable. The house has a spacious garden of 300 m2 with several open parking spaces and a spacious garage. The house is equipped with high quality PVC windows in all apartments, has two air conditioning units, separate electricity and water installations for all residential units, so that they can be used separately, but all together on one external electricity and water meter. It is sold furnished with all the furniture, household items and appliances you see in the pictures, and there is also the possibility, with the agreement of the sellers, to remove these things depending on the customer's wishes. This property is a very attractive property because of its location and area, and allows future buyers to enjoy it in terms of family life, and also in terms of catering rental, and a very quick return on investment.
