Description

Description:	<p>On the eastern coast of Istria lies the medieval Labin, whose old name Albona was first mentioned in 285 AD. The hometown of Matija Vlačić, reformer and collaborator of Martin Luther, is today a cultural and administrative center. Rarely does the richness of architecture and cultural and historical monuments combine so charmingly. In the vicinity of Labin we are selling this beautiful family house surrounded by greenery. The house is located in a quiet part of town, and the center of Labin can be reached in a few minutes by car, and the first beaches in Rabac can also be reached in ten minutes by car. The house spreads over three floors and consists of ground floor, first floor and attic. The house consists of three separate apartments each with its own entrance. The ground floor consists of one apartment with a total area of 123.70 m² and contains five bedrooms, two</p>

bathrooms, kitchen, dining room and living room. Upstairs is an apartment of 121.73 m², and contains four bedrooms, bathroom, kitchen, dining room and living room. Two rooms have access to their own terrace and a view of the courtyard with pool and surrounding greenery. In the attic there is an apartment with a total area of 118.36 m² and consists of four bedrooms, bathroom, kitchen, dining room and living room. This house also has a basement of 110 m² where there is a boiler room that provides central heating for the whole house. It uses 5 air conditioners to cool the house. The yard is spacious and beautifully landscaped and the whole environment is quiet. This house is ideal for family life in a quiet place near Labin or can bring future owners a good income from tourist rent during the summer season.
