Description

Description:	We offer a newly built luxury villa located just a few meters from the beach on the island of Ugljan with a gross area of 265.83 m ² . The ground floor of the villa is built on three cascades, where there is a modern kitchen and dining room, and a living room with access to a large terrace with a pool and a breathtaking panoramic view of the sea. After all, photos speak louder than words! Part of the terrace is

covered and there is a barbecue and a place to enjoy. There is also a laundry room and a toilet on the ground floor. Upstairs there are three bedrooms, each with its own bathroom, and another terrace that again offers a spectacular view. Another such view is offered from the roof terrace, which is arranged as a sun deck. In the basement of the villa there is a garage with two parking spaces, a storage area and a space in which the heating and cooling system of the villa is located, based on the floor water heating system combined with fan coil units. The island of Ugljan is located in the Zadar archipelago and is part of an almost untouched nature with crystal clear sea.
