Description

Description:	<p>The small town of Tinjan is located on the western part of the Istrian peninsula, only 20 kilometers from Poreč. One of the significant traditions of this region is certainly blacksmithing, in whose honor a fair is traditionally held. The residents are also proud of their well-known symbol - top gastronomic tradition - tinjan prosciutto. The mythical footpaths, medieval towns of central Istria, untouched landscape and rich heritage seem almost unreal. Right in one of the wonderful hamlets near Tinjan, there is this one-story house with a swimming pool under construction. The planned completion of the works is expected in the second half of 2023. It has a total area of 148.57 m² and consists of an entrance area, living room and dining room with access to the swimming pool and sun deck, kitchen, three bedrooms, two bathrooms, storage room and guest toilet. In a quiet location, which offers you privacy and intimacy, find your green oasis of peace. This beautiful villa is a great investment that guarantees a safe, stable and quick return on investment if you want to engage in tourist rentals.
