Description

Description:

This luxury apartment under construction is located in one of the most desirable locations, very close to the center of Rovinj, the most picturesque town on the Croatian Adriatic coast. The beauties of Rovinj often leave a deep mark, so the connection with it extends for generations. Rovinj is located on the western side of the Istrian peninsula, and extends north of the Lim channel and south to Bal. It is adorned by an extremely indented archipelago with as many as 14 islets and 6 rocks. Whoever visits the city of Rovinj once, hardly forgets it and most often returns to it again, that's why it is considered the strongest tourist center of Istria. The spacious apartment is designed in every detail and built with high-quality materials and is located on the first floor. It consists of an entrance hall, an open kitchen, a dining room and a living room open to the terraces, a guest toilet, a storage room and 2 bedrooms with wardrobes and private bathrooms. The total area of the apartment is 129.87 m². The apartment comes with a garage (13 m²) and outdoor parking spaces, and the building is equipped with an elevator.
