After a walk through the streets of the Old Town, visit the City Museum with archeological and ethnological collection and model of coal mine unique in this part of Europe, peek into art studios, enjoy the beautiful view from the city Fortica to the sea, Rabac, Kvarner and Kvarner islands. This beautiful house with a swimming pool is located in a quiet area just a few minutes drive from the city center. In an environment of green nature and several newly built houses, it allows the future owner to enjoy peace and privacy, and close enough to the city and all city facilities. The project of the house is well designed, and laid out in the immediate environment. Istria, Labin, Beautiful house with pool, new building is a ground floor type of the house, and consists of a living room, kitchen with dining area, 3 bedrooms (each with its own bathroom), separate toilet and storage.
