## Description

Description: If all roads in Europe lead to Rome, then all roads in Istria lead to Žminj, the heart of Istria. Since ancient times, Žminj has connected the entire Istrian peninsula. The place is ideal for enjoying nature, hiking, or cycling, and on the way, through Žminj and its surroundings, you will come across many stone houses, each of which tells its own story. Centuries-old Istrian stone houses have been converted into agrotourism where you can taste local Istrian cuisine. - Not far from Žminj, there is a building plot with a total area of 1045 m<sup>2</sup>. It has a regular shape, and the land has an access road. All necessary infrastructure is nearby. An asphalted road leads to the land, ending at the village's end. Due to its location, it is ideal for those looking for a quiet place away from the city's noise, which is also just a few minutes drive from the center of Žminj. ID CODE: 584
