Description

Description:	The island of Krk, Soline bay, in one of the rare free locations near the sea, away from the hustle and bustle of the city, is located this new building that will offer 6 apartments, two on the ground floor and two each on the first and second floors.
--------------	---

The apartment on the 2nd floor of 78 m2 consists of a kitchen with a dining room and a living room, which in the extension offers access to a covered terrace, then two bedrooms and a bathroom. The apartment has 1 parking space. This two-room apartment in a newly built residential building with 6 apartments is located in a residential area near all necessary amenities for a peaceful, pleasant and comfortable life, which makes this location desirable. The construction is of high quality with special attention paid to the final works, quality ceramics in the living room and bathroom and quality laminates in the rooms. At this stage, there is a possibility to agree on the choice of ceramics and some details inside the apartment. The apartment in the new building is an ideal property for families with children and as an investment in tourism. Planned completion of works 06/2023 For any additional information and/or viewing, contact with confidence licensed real estate agents with many years of experience in real estate transactions:
