Description

Description: On the hill above Rabac is the medieval town of Labin, whose real name Albona has been mentioned since 285. B.C. A city can rarely offer you so much at once. You can enjoy walking among the old walls or go down to the city center where everything you need for a quality life and vacation awaits you, as well as a touch of the past, so you can find out the facts and see many monuments about what we now call the town of Miners. Just 3 kilometers from "old Labin," you will be enchanted by beautiful beaches with a view of the island of Cres, cafes, restaurants, and everything necessary to please numerous visitors. - In the vicinity of this historic town, a spacious building plot with a total area of 1517 m² is for sale. The land is flat, has a regular shape, and has an access road. There is also an auxiliary building with an area of 67 m². There is an access road for cars from the main road, and an additional road is planned for construction in September 2022. Due to its location, it is ideal for those looking for a quiet place away from the city noise, which is also separated by a 10-minute drive from the center of Labin. ID CODE: 631
