Description

Description:

We are selling two spacious construction plots in Sabinje Krmpotski, 7 km from the center of Senj and 16 km from the center of Novi Vinodolski. The total area of the field is 6233 m². The land of 2334 m² is located next to the asphalted road where all the connections are located, from the ground there is a beautiful panoramic view of the sea. The second plot of 3,899 m² has an old, collapsed, smaller stone house on it. There is a pedestrian path leading to this plot without infrastructure, but it has a nice view of the sea and the nature that surrounds it, which is specific to the coastal area. The plots are 240 m away on foot from the sea and the beach. The plots are ideal for investment, their spaciousness leaves you room to build a building for living and/or tourist rental in a quiet place far from crowds and noise. ID CODE: 357
