Description

Description: Motovun is probably the most famous and most attractive Istrian medieval town. In addition to numerous cultural and historical sights, Motovun and its surroundings can boast numerous vineyards and famous winemakers. These recreational facilities enable an active vacation such as grape harvesting, asparagus picking, truffle gathering, fishing, paragliding, free climbing, canoeing, and for the beautiful time, above Motovun, it is possible to ride in a hot air balloon. The most famous event that takes place in this city at the end of July is the Motovun Film Festival. A building plot of 1820 m² is for sale not far from Motovun. The land has access from the main road, and all the necessary infrastructure is nearby. It is located on the edge of the village in a quiet place. Suitable for building a modern holiday home, family home or cottage. The size allows for the construction of two vacation homes with swimming pools. ID CODE: 669
