Description

Description: Buzet is located in the very north of Istria, near the border with Slovenia. Its historical core, which dates back to the Middle Ages, lies on top of a hill above the fertile valley of Istria's longest river, the Mirna. Today, Buzet is widely known as the 'City of Truffles' because the forests along the Mirna River are particularly rich in this divine tuber. In a quiet settlement not far from Buzet, agricultural land with a total area of 945 m² is for sale. Flat land with an access road, suitable for growing olives, vines and other crops. The land is on the edge of the urbanized zone. ID CODE: 683
