Description

Description:

The County of Istria is famous as one of the most suitable regions for life, and offers many natural beauties supported by a warm Mediterranean climate and a very cordial resident population. In the very south of the Istrian peninsula there is a small ancient Roman town called Pula. Pula is rich in its heritage and old Roman infrastructures and legacies that give it a special atmosphere when enjoying this wonderful city, which has gradually become one of the leading tourist destinations in Croatia in the last ten years. Right in the immediate vicinity of the town of Pula in Pomer, in an excellent location, just 350 meters from the sea, this detached house of 360 m² is located. The house consists of two floors, with a total of eight bedrooms, six for two people and two for four people, each of which has its own terrace, two spacious bathrooms, one on each floor, both floors are connected by internal and external stairs, and there is also the possibility of separating into several spacious residential units. In addition to the above, on the ground floor there is also a spacious living room with a fireplace, and a kitchen with a dining area. The house is located on a very spacious plot of land of 1700 m², on which there is also a water well, and in addition to the residential building, it has a basement and two garages as a separate building of 40 m². As can be seen in the pictures, the house requires some adaptation, and in addition to its large area and the area of the garden, the irreplaceable location is also for sale, which gives great potential to this property, and offers various possibilities to the future buyer. Within the garden, there are also numerous uncovered parking spaces, and there are several very old trees on the land, which gives a special atmosphere when staying there. This house represents a very attractive property due to its location, living area, yard area and proximity to beaches, and due to its uniqueness, it offers the future buyer a great opportunity to enjoy it in terms of family life and due to its proximity to the city center and all the accompanying facilities for life, and in accordance with the wishes of the future the owner's possibility of engaging in the hospitality business of renting several residential units or the entire building, and a faster return of invested funds.
