Description

Description:

Building land for sale with a view of the sea in Peruški. The land is located in the residential zone in the last row towards the sea, below the land there are agricultural lands and forests, which ensures complete privacy and an unobstructed view from the future building. The land is overgrown and needs to be cleaned, also the view is not visible from the ground because the surrounding plots are overgrown, the view is not possible from the floor of the future building. Price €120/m². For additional information, call +385 99 844 0297 ID CODE: 2374
