About us: Our real estate agency with many years of experience is mainly active on the west coast of Istria. In addition to a classic real estate offer (houses, villas, flats, apartments, land), you can also find a large range of turnkey construction projects with us.

We mediate in the purchase and sale of real estate, mediation of turnkey construction projects and support for these projects, obtaining the categorization for the rental of your property, transfer of the meters after a property purchase to the new owner.

Through our business partners we can offer: Creation of purchase contracts, preliminary contracts, translation of these contracts into your national language, tax advice and accounting.

Thanks to our extraordinary language skills (native German, Croatian and fluent English, spoken and written), we can provide you with comprehensible and detailed advice so you could benefit from our experience in the Istrian real estate market and in construction.

Description

Description:	House under construction, 11 km from the sea and 16 km from the town of Poreč.
--------------	--

The house will consist of ground floor and first floor. On the ground floor there will be a spacious living room with dining area and kitchen, as well as a guest toilet and a technical/machine room for the pool. On the first floor there are three bedrooms, two bathrooms and a terrace. Heating will be via underfloor heating and cooling via built-in wall convectors. Outside there will be a swimming pool with sun deck and a beautifully landscaped garden, with parking for two vehicles in front of the house. The pool is planned with salt water, also heated according to customer requirements. The house is sold turnkey, with pool and landscaped garden, unfurnished or furnished upon agreement and at extra cost. Construction is scheduled to start in autumn 2022, and end of construction in spring 2024. ID CODE: 213
