### Description

Description:	Funtana is a city that experiences a constant boom in tourism. With its campsites and hotels and gastronomic offer, it is more and more the target of tourists from all over the world. Near the stadium and the complex of luxury villas, and between the olive groves, there is this beautiful agricultural plot of regular shape, on which half of the land is still to be cleared. Water passes 50 meters from the land, and the road 100 meters. Definitely worth paying attention to if you plan to plant olives or any other culture. ID CODE: IS105947
