Description:

If you want excellent prosciutto, come to Tinjan, the center of Istrian prosciutto. The annual Prušt and gastronomy fair positions these regions among the gourmet centers of Istria, which are increasingly visited by guests from all over the world, and the real estate business is also booming. In the vicinity of Tinjan, a wonderful agricultural land is for sale, which is fenced on one side with an authentic Istrian stone wall and on the other side with a local road with little traffic, and all around is beautiful nature. The land is cleared and flat. There is water along the road that you can easily bring to the land. Next to it, another plot of land of similar size is sold, and the owner can sell it as a set. Excellent position, size and environment with complete peace and nature without neighbors and yet only a few minutes to Tinjan are important things that make this land a real opportunity.
