Description

Description:	<p>We offer top-quality construction land in the very south of Istria. The land is located in an excellent location, only 200 meters from the sea. The total area of this construction land is 5100 m². The building plot has extremely good dimensions and the positioning of buildings of different purposes is very convenient. The land for construction has excellent access from the paved public road. Water and electricity infrastructure are in the immediate vicinity of the land. It should be noted that according to the valid spatial plan, it is located in the construction zone, T2 zone, which enables the construction of a tourist resort. This property is owned by a private person. The seller of the land guarantees complete ownership documents and orderly transfer of the property.
