Description

Description: In the small fishing village of Vinišće, which is part of the municipality of Marina

near Trogir, a beautiful modern villa with a pool is being built. It is located in a complex of 6 luxury villas with stunning sea views. The villas are currently under construction, with full completion and occupancy expected by the end of 2024. The villa is being built on a plot of 584m². Due to the sloping terrain, all rooms in the villa offer an excellent sea view that can never be obstructed. The villa spans two floors. The ground floor has a total of 128.35m² and consists of a spacious living area with a kitchen and dining room, an entrance area with a hallway, a bedroom with an en-suite bathroom, and a separate toilet. From the living area, it is possible to access a spacious terrace with a sea view on one side, and an area designed as a summer kitchen covered with a pergola and a space that serves as a storage room. On the first floor, which is 114.63m², there are 3 bedrooms with en-suite bathrooms. All bedrooms have access to a covered terrace with a beautiful view. In the yard, there will be a spacious pool (31m²), a sunbathing area, and a garden enriched with Mediterranean vegetation. The villas also have an outdoor/summer kitchen and private parking.
