Description

Description: On the hill above Rabac is located the medieval town of Labin, whose real name Albona has been mentioned since 285. B.C. It is rare that a city can offer you so much at once. You can enjoy walking among the old walls or go down to the city center where everything you need for a quality life and vacation awaits you, as well as a touch of the past, so you can find out the facts and see many monuments about what we now call the town of Miners. Just 3 kilometers from "old Labin", you will be enchanted by beautiful beaches with a view of the island of Cres, cafes, restaurants and everything necessary to please numerous visitors. In the vicinity of Labin, a building plot of 1452 m² is for sale. The land has a square shape, is located on an asphalt road, and all communal infrastructure is nearby. The quiet location and proximity to amenities are suitable for building a villa or holiday home, but because of the same, it is also possible to build a family home for living in a smaller village in the vicinity of Labin.
