Description

Description:	<p>The County of Istria is famous as one of the most suitable regions for life, and offers many natural beauties supported by a warm Mediterranean climate and a very cordial resident population. In the very east of the Istrian peninsula, in an irreplaceable attractive location in the immediate vicinity of the sea, is the peaceful fishing village of Trget. Trget is a place that offers a pleasant and relaxing stay to its residents and their guests. It is located only 20 km from the Pula airport, and near the towns of Rabac and Labin. This attractive, spacious building plot of 1,623 m² is located right on Trget. The land has a regular shape with a slight slope, from which there is a priceless view of the green hills and the beautiful Raška bay and its coast. All the necessary connections are located in the immediate vicinity of the land, and it offers us the possibility due to its area for construction and several buildings on it. The combination of beautiful nature and priceless cultural heritage on numerous marked cycling and hiking trails are another advantage of this location. Due to its location, irreplaceable view and surface area, the mentioned land represents a very interesting, attractive and unique real estate in a great location, and offers a handful of possibilities to the future buyer in terms of building a building for engaging in the catering activity of renting and a very quick return on investment or building a building for a pleasant family and everyday life.</p>
