Description

Description: Istria County, Medulin, a place with over 80 km of indented coastline and first-class Adriatic Sea with well-organized swimming pools and a pleasant Mediterranean climate, is made up of 6 pyrotechnic coastal settlements, each of which leaves you breathless. From any starting point, the sea is in the palm of your hand, and the views from the balconies of the houses do not disappoint. This villa with a spacious garden is located in a quiet, prestigious settlement. It is fenced

with an automated gate, decorated with a handful of green areas, between which there is a 46 m² swimming pool with a manly sunbathing area. The entrance porch with stairs and summer kitchen is a logical sequence of this arrangement. Already from the yard you can see the sea at a distance of 150 m. The entrance hall on the ground floor leads us to a spacious kitchen with an island and a dining room, followed by a living room with an exit to the yard. On the other side, in the night area, there is a bedroom with its own bathroom and also an exit to the yard. There is a possibility of remodeling another bedroom on the ground floor, where there is currently a large storage room. An internal staircase leads to the first floor, which consists of 3 bedrooms and two bathrooms, 2 terraces with an unforgettable view of Medulin bay and its islands. There are 4 parking spaces in the yard, and at the back of the house, which has a view of the greenery, there is an auxiliary facility. The property has a well-established tourism business ready for continued operation and a faster return on investment. ID CODE: IS1507181
