exceptionally favorable climatic conditions, have a special natural attractiveness. Even in the Roman era, the place exuded the luxury of living, rest and relaxation of its then inhabitants and visitors, which is visible on the Vižula peninsula, full of remnants of that era. Even today, it continues the rich tradition of wonderful accommodation, sports activities, content for everyone. In this settlement, not far from the beaches, there is a building under construction. Building of 6 apartments with 2 apartments per floor. A parking space is provided for each unit, and there is also the possibility of purchasing a garage space. The apartments are designed with two bedrooms, bathroom, kitchen and dining room and a living room with a balcony. The apartments will be equipped with quality PVC anthracite carpentry, ceramic tiles and parquet. Located in a quieter part of the village, all necessary amenities are within walking distance.
