Description

Description:	<p>Medulin, one of the most important tourist destinations in Istria with a rich fishing tradition, above which rises a unique church with two towers located in the center. The municipality consists of several coastal settlements; Banjole, Premantura, Pješčana uvala and others. The Bay of Medulin is particularly famous with 11 uninhabited islets with untouched nature and beaches with pine forests, ideal for families with small children. There are two 2-story buildings under construction in this complex, rich in amenities. There is one residential unit on each floor. The apartments are designed with two bedrooms, a kitchen with a dining room, a living room, a bathroom and a balcony. It is about high-quality construction of apartments that will be equipped with top quality PVC joinery, ceramic tiles and laminate in the rooms. A parking space is provided for each unit, and there is also the possibility of purchasing a garage parking space. The location of the property is close to all the necessary and entertainment facilities, beaches and other</p>
