Description

Description:	A luxury villa with two residential units is for sale. Each unit has a living area of 150m ² , on three floors connected by an internal staircase. The interesting concept of one unit is that it mirrors another unit, so we have two perfect units in one villa. Each residential unit has its own separate entrance, which is reached from a fenced-off parking lot which has two parking spaces. The entrance is on the ground floor. On the ground floor there is a hallway leading to three bedrooms and a bathroom, as well as stairs leading to the upper and lower floors. On the upper first floor, there is a bathroom, a kitchen with a dining room, a living room and a terrace. On the bottom floor there is a bathroom, a covered terrace, a summer

kitchen with a fireplace, a swimming pool and a place for sunbathing with a beautiful panoramic view of the sea and the islands. The property is located in a quiet small place near Dubrovnik, only a 20-minute drive away. Distance to the beach is 500m. This property offers potential buyers the possibility of financial profitability if you rent one residential unit, and in the other it can be a luxurious home. Contact me with confidence.
