### Description

Description:	Building land for sale on the Pelješac peninsula, in Trpanj. The land covers an area of 6798 m <sup>2</sup> and is located within the boundaries of the undeveloped part and the undeveloped part of the construction area of the settlement. It is located next to the road itself, surrounded by beautiful forest and nature. Just a few minutes' walk from Trpanjska's biggest beach, which is best known from postcards because of its characteristic palm trees and clear blue sea. Trpanj is a pearl of long history, rich cultural heritage, the home of fishermen and sailors, an area full of rich vineyards and centuries-old olive groves, and today it is becoming a true Mediterranean paradise. One of the most visited destinations with its pebble and sandy beaches and numerous hidden coves. This land has Location information, which I provide upon request. An undiscovered gem in a highly sought after location! Contact me with confidence.
