Description

Description:	<p>The County of Istria is famous as one of the most suitable regions for life, and offers many natural beauties supported by a warm Mediterranean climate and a very cordial resident population. In Istria, on the southeastern part of the coast, the village of Krnica is located, which covers a large area of the coast, and every year it invests in its infrastructure and content, becoming more and more interesting for investors due to its beautiful beaches and the Istrian flair itself. This wonderful building plot is located in a very quiet location, with a wide view of the sea. The area of the spacious construction land is 1703 m². The location guarantees the future buyer peace and quiet in nature. It is of a regular shape, straight and all the necessary access points are located in the immediate vicinity of the land. Due to its open view of the sea, surrounded by nature and spaciousness, the mentioned land represents a very interesting, attractive and unique real estate, and offers a handful of possibilities to the future buyer in terms of building a building for engaging in the catering activity of renting and a very quick return on investment or building a building for a pleasant family and everyday life.
