Description

Description: Vižinada is a small place located on the hill of the southern edge of the Mirna river valley, from which there is a far-known view of the surrounding natural beauty, vineyards and olive groves. It is located inland, in the western part of Istria, but it is only about 15 kilometers from Poreč and the first beaches. For sale is a building plot of 1240 m² in an attractive location in Vižinada. The land is in a slight decline, all the necessary infrastructure is nearby, and city sewerage is planned. It is surrounded by newly built vacation villas and beautiful nature. Ideal for building a house with a swimming pool for the purpose of tourist rental, given the accommodation in an attractive location in a tourist-active place that gravitates to Poreč, which is 15 km away.
