### Description

Description:	<p>Pazin is the administrative seat of the County of Istria, and even in the 19th century, mostly due to its central position on the peninsula, as well as its importance, it earned the name "heart of Istria". The fascinating picture of the medieval Pazin fortress - Kaštela, located above the 130-meter deep chasm where the Pazinčica River flows into the Pazin Cave, inspired the famous French writer Jules Verne to place part of the plot of his novel "Mathias Sandorf", published in 1885, in this very environment. . Not far from Pazin, we were offered a large plot of which 2978 m<sup>2</sup> is for construction and 1327 m<sup>2</sup> for agriculture. The land is located in a quiet place. Near the Istrian epsilon. Neat ownership For more information, call MIRJANA VLAHOVIĆ 00385-95-516-1641 ID CODE: IS1507591</p>
