Description

Description: Vinkuran is located only 4 kilometers from Pula. It is isolated from the tourist bustle, yet only a few kilometers away from the tourist resort. Also known as a small fishing village. Walking over Vinkuran Bay and Soline Bay, you will spend a pleasant vacation in silence and peace. The place has a sheltered beach next to a pine forest. Recommended for lovers of nature and peace. There is a shop, a restaurant and a cafe in the village. Vinkuran is known for its quarry. In ancient times, stone blocks for the Pula Arena were extracted from the quarry near Vinkuran-Cave Romana. Today, an art colony is held in the quarry in the summer months, where sculptors demonstrate their skills. This building plot of 1201 m² is located in Vinkuran. The land is only 200 m from the sea, which makes it ideal for building a family home or an investment opportunity. Right next to the land there is electricity, water and city sewerage.
