Description

Description:	<p>The County of Istria is famous as one of the most suitable regions for life, and offers many natural beauties supported by a warm Mediterranean climate and a very cordial resident population. In Istria, on the southeastern part of the coast, the village of Krnica is located, which covers a large area of the coast, and every year it invests in its infrastructure and content, becoming more and more interesting for investors due to its beautiful beaches and the Istrian flair itself. Exactly in a settlement near Marčana, in a very quiet location, there are two Istrian houses for complete renovation of a total area of 211 m² with a garden of 276 m² and two auxiliary buildings, as well as parking spaces. The houses have direct access from</p>

the paved road. The infrastructure is located at the very entrances to the buildings, and half of one of the listed buildings is currently suitable for use and housing, while the other parts of the buildings require the implementation of new water and electrical installations, as well as significant construction works. The properties are located in a small Istrian settlement, on a beautiful hill. Due to the fact that there are several buildings and a quiet location, these properties provide the future buyer with an excellent investment to enjoy the same in the sense of family life and a great possibility of engaging in rental activities and a quick return on invested funds.
