Description

Description:	<p>Let us mediate in the sale of a wonderful office space in the Šibenik-Knin County. It is located in a wonderful, well-known tourist spot on the main road and certainly has a very attractive location. The space itself is located on a plot of land of 1736 m², and the building has a usable area of 598 m². The access to the space is from the main road and what is important to note is that there is a shopping center on the land in the process of obtaining a building permit, which is really a mitigating circumstance. The space consists of a large sales area of 260 m², but it is possible to expand it up to 340 m². The space that until now was used as a workshop but can be converted into a storage space of 200 m², warehouse (basement plus basement rooms) 80 m², office space (3 rooms) and kitchenette and sanitary area (M and F) For more information or to view the property, contact 0916106818 or buncicdaliborka@gmail.com Daliborka Bunčić mediation assistant 0916106818 ID CODE: DA1266</p>
