## Description

Description: On the hill above Rabac is located the medieval town of Labin, whose real name Albona has been mentioned since 285. B.C. It is rare that a city can offer you so much at once. You can enjoy walking among the old walls or go down to the city center where everything you need for a quality life and vacation awaits you, as well as a touch of the past, so you can find out the facts and see many monuments about what we now call the town of Miners. Just 3 kilometers from "old Labin", you will be enchanted by beautiful beaches with a view of the island of Cres, cafes, restaurants and everything necessary to please numerous visitors. A building plot of 1980 m<sup>2</sup> is for sale 7 and a half kilometers from Labin. The land is oblong and rectangular in shape, and has access from an asphalted road. All communal infrastructure is located next to the land. It is suitable for building a house or holiday villa with a large garden with orchards, olive trees or vines. ID CODE: 1178
