Description

Description: ISTRIA, RABAC - Stone house with swimming pool near the sea On the southeastern coast of Istria, at the place where green hills meet the sea, where

nature and heritage come together, there are two towns of similar size, but with different, but mutually complementary characters - Labin and Rabac, just five kilometers apart. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin, there is a stone house for sale with a swimming pool near the sea. Perfect peace, autochthonous Istrian style with a combination of modernity and proximity to the beach are just some of the assets that this property delights with. The living area of the stone house is divided into a ground floor and a first floor. On the ground floor there is a living room, dining room, kitchen and toilet, while on the first floor there are two bedrooms, a bathroom and a balcony. The house is surrounded by a meticulously arranged garden with a view of the sea, which offers a combination of comfort, peace and nature, and is decorated with an outdoor pool and grill area. The property is currently in the renovation phase, completion of the works is scheduled for the summer of 2023, and the stated price refers to the turnkey phase. This property in the Mediterranean climate is an ideal opportunity for a peaceful family life as well as an investment for the purpose of tourist rental.
