### Description

Description:	ISTRIA, LABIN - Rustic house surrounded by nature On the southeastern coast of
--------------	--

Istria, at the place where the green hills meet the sea, where nature and heritage come together, there are two towns of similar size, but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 m high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. In the vicinity of the town of Labin, a rustic house surrounded by nature is for sale. The property captivates with a sense of intimacy and the warmth of a rural idyll. The stone house consists of a ground floor and a first floor. On the ground floor there is a living room, dining room, kitchen and bathroom, and the first floor consists of two spacious bedrooms. The carefully tended garden in a Mediterranean style is decorated with an autochthonous sterna. The property is fully equipped and furnished and is being sold as such. This property on the edge of the village is perfect for a quiet family life as well as an investment for the purpose of a well-established tourist rental. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions:
