Description

Description:

ISTRIA, LABIN - House with a garage and a spacious garden On the southeastern coast of Istria, at the place where the green hills meet the sea, where nature and heritage come together, there are two towns of similar size, but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 m high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. In the vicinity of the town of Labin, there is a house for sale with a garage and a spacious garden. It consists of a living space that unites the living room, kitchen and dining room with access to a covered terrace, three bedrooms and bathrooms. The floor plan is complemented by a garage and a space in the Roh-Bau phase that can be arranged according to personal preferences. The house is fully equipped and furnished. Heating/cooling of the house is ensured by air conditioners, pellet stoves in the living room and the first phase of central heating is installed. The spacious garden is landscaped and fenced. The excellent micro-location makes this property an excellent opportunity for family life or an investment for rental for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
