## Description

Description: On the hill above Rabac is located the medieval town of Labin, whose real name Albona has been mentioned since 285. B.C. It is rare that a city can offer you so much at once. You can enjoy walking among the old walls or go down to the city center where everything you need for a quality life and vacation awaits you, as well as a touch of the past, so you can find out the facts and see many monuments about what we now call the town of Miners. Just 3 kilometers from "old Labin", you will be enchanted by beautiful beaches with a view of the island of Cres, cafes, restaurants and everything necessary to please numerous visitors. In the surroundings of Labin, there is this charming house in a quiet location with a total living area of 90 m<sup>2</sup>. The property extends over two floors. On the ground floor there is a kitchen, a living room and a bathroom, while on the first floor there are two bedrooms. The property is fully furnished and is being sold as such. The new owner can continue the well-established business of tourist rental or take over a charming house in an Istrian village to enjoy peace and nature. ID CODE: 1223
