About us: Our real estate agency with many years of experience is mainly active on the west coast of Istria. In addition to a classic real estate offer (houses, villas, flats, apartments, land), you can also find a large range of turnkey construction projects with us.

We mediate in the purchase and sale of real estate, mediation of turnkey construction projects and support for these projects, obtaining the categorization for the rental of your property, transfer of the meters after a property purchase to the new owner.

Through our business partners we can offer: Creation of purchase contracts, preliminary contracts, translation of these contracts into your national language, tax advice and accounting.

Thanks to our extraordinary language skills (native German, Croatian and fluent English, spoken and written), we can provide you with comprehensible and detailed advice so you could benefit from our experience in the Istrian real estate market and in construction.
