Description

Description: Istria, Kanfanar, surroundings, just a few minutes from Kanfanar, which is full of content for a high quality of life and numerous events during the season, we are selling this excellent house for living and vacationing. Kanfanar is becoming an increasingly sought-after tourist location precisely because of the wide range of excellent holiday homes that entice guests with their content. This house is located in the center of a small town and is surrounded by family houses and holiday homes. In its nature, this spacious two-story house on the ground floor contains an open space in which the entrance leads to the living room connected to the dining room and kitchen, and with two exits to the covered terrace and garden. This space is dominated by the staircase to the upper floor where there is one bedroom and a spacious bathroom. In the continuation of the ground floor, there are two more bedrooms with their own bathrooms, one of which has access to the garden. Next to the house there is a completely separate studio apartment equipped and ready for living. The plot on which it is located is 718m², where there is a heated swimming pool of 32m², a green area for outdoor enjoyment and enough space for parking three cars. This house is an example of a top-quality house for vacation and living, where the planning took care of the comfort of living, and thus it is a real opportunity for investment and living in Istria.
