Description

Description: For sale are two modern villas under construction, with an area of 235m² and each with its own outdoor pool (two identical villas next to each other with a common wall). The villas are spread over two floors and consist of a ground floor with a large living room, kitchen with dining room, bedroom, utility room and two large covered terraces from which we can access the outdoor kitchen, swimming pool and barbecue, as well as the toilet and boiler room. Stairs lead to the first floor where there are bedrooms with their bathrooms. In addition to the above, the villas also have attic space. Air conditioners, underfloor heating with a heat pump, video and alarm system will be installed. PVC joinery with three-layer glass and the outer part will be in anthracite color and electric blinds. There will be a heated 8x4 pool with a glass mosaic, a barbecue and an outdoor kitchen on the garden plot. The villas will have a bioseptic system, and the connection to the city sewer is expected in 2024/2025. The investor will set up the preparation for solar panels so that future owners have the option of using energy. The price includes a completely finished house without furniture. ID CODE: 1246
