Description

Description:	<p>ISTRIA, ROVINJ - Luxuriously furnished apartment in the center of Rovinj</p> <p>Rovinj is the romantic Mediterranean, a destination for all those who yearn for the sentimental atmosphere of times that have irretrievably passed. Rovinj began its romantic life on an island whose narrow space conditioned the construction of close-packed houses, narrow streets and small squares that are still untouched by modern urbanism. Growing up on its rich fishing tradition, Rovinj became recognizable for its unique batana boat, songs, but also for its spaci, the local version of a tavern or wine cellar where the people of Rovinj once stored, tasted and resold wine. Today, Rovinj and its immediate surroundings are home to the best Istrian restaurants and many interesting tourist attractions. The numerous beautiful beaches and proximity to the sea are certainly responsible for the</p>

development of Rovinj. In the center of Rovinj, in the old town itself, this tastefully furnished apartment of 50 m² is for sale. The apartment is located on the second floor and contains a modern kitchen, a spacious living room, a master bedroom with a double bed, a bedroom with two smaller beds and a bathroom. During the decoration, attention was paid to every detail, and therefore only the highest quality designer furniture was selected. You are only a few steps away from shops, doctors, restaurants, schools, kindergartens, the sea and all other amenities for life, so this apartment is ideal for a family with children or as an investment in a tourist rental, which will ensure a definite return on investment.
