#### Description

Description: Barban, surroundings, we are selling a building plot in a great location surrounded by nature. The building plot has a total square footage of 771 m<sup>2</sup> and is completely within the scope of the construction zone. The field has a slight slope, all the

necessary infrastructure is located nearby, and there is an access road to the field from the public area. It is located on the edge of a small settlement, the last in the construction zone, which ensures perfect privacy and peace. The location of the field is very peaceful, surrounded by greenery and beautiful colors and soothing sounds of nature. The land is ideal for building a family house due to the proximity of all the necessary facilities, but certainly also ideal for building a holiday home where guests will be able to enjoy the benefits of the natural environment far from the city's hustle and bustle and yet only 5 kilometers away from the beautiful blue Adriatic Sea and landscaped beaches.
