Description

Description: Labin, surroundings, Istrian house on a large estate We are selling an old Istrian house near Labin. Only a few kilometers from Labin, a house of 140 square meters, is located on a large estate of 27,806 square meters. It is located in a beautiful location, surrounded by olive groves and nature, and a variety of fruit trees. The house is detached, two storeys. The house has electricity and water. Since the house needs a complete renovation, the location is great for a holiday home on a large plot with a lot of privacy, and with all that, it is only 4 kilometers away from the sea and beautiful beaches. With the necessary renovation, this house would be ideal for pleasant weekends in the countryside or as a stake in rural tourism. ID CODE: 2007-24
